

Why your business should donate to Summit Therapy Animals (www.summit-therapy-animals.org)

Who: Volunteers enriching the lives of others through the powerful human-animal bond.

We perform animal assisted therapy in a variety of settings throughout the Colorado Summit.

What (to name a few of our bigger programs):

- 1) *R.E.A.D. (Reading Education Assistance Dogs)*: continuously improving the literacy skills of children at schools throughout Summit County.
- 2) *St. Anthony's Hospital Visits*: raising the spirits & outlook of patients suffering from low morale and despondence.
- 3) *"Reading with a Dog" Summer Program*: keeping children engaged in reading throughout the summer months at all 3 Summit County Libraries.
- 4) *Humane Education*: educating children on the issues of animal population & welfare and introducing the positive impact of living in harmony with animals.

Your Donation: 1) Contributes to the "training & registration" costs incurred by new Therapy Animal Teams.

2) Helps recruit new Therapy Animal Teams into our growing volunteer base.

3) Helps provide keepsakes for children & adults benefitting from our Therapy Work.

A donation will get your business recognized & promoted as a sponsor of Summit Therapy Animals and aid our efforts to expand the therapeutic human-animal bond throughout Summit County.

Summit Therapy Animals is a non-profit 501(c)3 and all donations are tax deductible
