

In Memory of LEXI

< - Maggie Hoff and Lexi

Lexi, my loving Yellow Labrador Retriever and I were a Pet Partner Therapy Dog Team from March 2010 to August 2014 (when she passed into Doggie Heaven).

Maggie and Lexi did a lot of volunteering in Tucson, AZ. Then here in Summit County at the Breckenridge Library, at BOEC, and Timberline learning center.

Everyone loved to watch Lexi do her 'Big Trick.' . . . to unscrew a G2 bottle filled with dog treats, turning it upside down and pouring the treats out. When all were consumed, Lexi would take the bottle to Maggie, asking for a refill!
